

SISKIYOU CHAPTER OF THE OREGON DRESSAGE SOCIETY PRESENTS:

# MUSICAL FREESTYLE CLINIC WITH KAREN ROBINSON

SEPTEMBER 30—OCTOBER 2, 2011

Day One—Three hour lecture that will go over entire design process.

Day Two—Mounted— By the end of the day you will have ridden to a variety of types of music that would potentially work for your freestyle. Karen will record your horse's tempo at each gait and will provide you a copy of the recording information.

Day Three—Mounted— By the end of the day you will have a rough outline of choreography for a freestyle at your level; you may even have a complete pattern. If you aren't ready for this step or are unsure of where you and horse will be when you are ready to put a freestyle together, then you'll spend this day riding to more types of music.

Day 1 —Medford Fabrication Conference Room, 1109 Court Street, Medford, Oregon 5:30pm—8:30pm

Day 2 & 3—Hidden Meadow, 4130 Thompson Creek Road, Applegate, Oregon

Participants—\$250 for entire clinic
