Dear Corinne and Members of Oregon Dressage Society,

Congratulations on your 40th Anniversary! It sounds like your celebration weekend was a HUGE success - great attendance and great education!

Thank you for returning the \$1,500 Violet Hopkins Fund grant, and declining the remaining \$500. This "give back to dressage" adds up over the year, and will help others have the opportunity to get financial assistance for clinics. Also, thank you for sending us your evaluation forms. The Grant Selection Committee reads each evaluation and will appreciate the evaluations from the participants.

To "do good," we must first "do well," and so we will welcome future support from your group, in the form of a benefit class at a show you sponsor, or outright donation if possible. And we always welcome good PR about the Foundation in your newsletter. We would hope that you would welcome the opportunity to help us advertise The Dressage Foundation to your participants and audience.

I look forward to working with you again!

Cordially,

Jenny Johnson
Administrative Director

*Thanks for the bag, too!
It is great!*

As you may have noticed, our enrollment over the last 10 years has decreased. We now only have 2 active members of our club, even though our ODS members list may show anywhere from 4-7 members in any one year. We occasionally hear from, but rarely see these individuals. Our goals as a chapter were mainly to create equine related educational opportunities for our club members, members of ODS and other local equine enthusiasts. It is rather difficult to do this with only a couple active members, new insurance protocols, fees, liabilities, and banking issues. So, at this time we have decided to dissolve our chapter.

Thank you for being supportive and for answering our questions over the past years. We have enjoyed our involvement with Oregon Dressage Society.

The majority of our funds have been disbursed as individual educational scholarships to a number of individuals. Some are current ODS members, some are past ODS members of our chapter and some are non ODS members; all have been key to our success with our club and clinics. We would not have achieved what we did without all these people. The last bit of our funds involves returning the \$150 we received from ODS as our start up funding, the rest goes to the Trillium Children's Farm Home Equine Support Fund. Our goal each year was to support some local equine related non-profit organization, this completes and closes our account with Chase Bank.

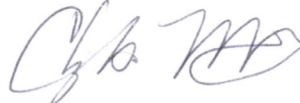

Thank you again for your help and support.
