Plan now to attend the 2014 ODS Fall Festival featuring Debbie McDonald and Janet Foy – November 1 & 2, 2014 in Sherwood, OR. Details are in development! ODS is currently seeking sponsors, vendors and volunteers to help make a top-notch event. *Let me know if you are interested in being a part of this fantastic opportunity!*

All 2013 ODS Memberships expired 10/31/2013. Please renew your membership using the form in your latest copy of Flying Changes Magazine, by going to our website – www.oregondressage.com/membership.html and clicking on "Join".

It is mandatory to wear protective headgear at ODS clinics, schooling and league shows and any riding event hosted by our chapters/committees. The only exception is per FEI rules, which apply only at FEI Licensed Shows. From the time horses are admitted to the event grounds, anyone mounted on a horse at any time must wear protective headgear as defined by the USEF Rule DR120 and otherwise in compliance with USEF Rule GR801. Protective headgear is defined as a riding helmet which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. The harness must be secured and properly fitted. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is properly in place.
