National Dressage Pony Cup showcases the exceptional talent, training, and commitment of ponies, their owners, breeders, trainers, and riders in the art and sport of dressage. NDPC encourages competition at every level, for riders of any ability of age, and ponies of any breed or mix of breeds to compete and enjoy their experience. NDPC partners with USDF shows around the country to offer our Partner Show Program. These shows will offer at least one 'pony only' class, but possibly more and an opportunity to receive your USEF Pony Measurement card. You do not need to be a member to compete in a Partner Show. All scores in 'pony only' classes will automatically be entered in our Year-End Awards Program, where you will be competing with ponies across the country.

All questions not covered by these rules and regulations shall be decided by the Show Management and such determinations shall be final.

√ Owner/Agent/Participant agrees that every horse entered, or which they bring to the show grounds, will be subject to the rules of the Horse Show management. However, Show Management will, in no case, be responsible for any loss or damage that may occur to any horse entered or on the grounds, and it shall be a condition of entry that each exhibitor agrees to defend, indemnify and hold harmless the United States Equestrian Federation, the United States Dressage Federation, the California Dressage Society, Golden State Dressage, Inc., any additional recognizing organizations, the facility at which the event is held (showgrounds), the horse show and its management, employees, volunteers and independent contractors for any loss or accident to his horse, horses or equipment which may occur.

√ All Owners and Exhibitors will be held responsible for any damage incurred by them, their agents, employees or animals to stall buildings and other properties on the show grounds and shall be billed accordingly. All bills for veterinary, farrier services and feed are due and payable during the show. The management reserves the right to deduct any unpaid veterinary, farrier and feed bills from premium, stake or prize money, or refunds due the exhibitor. Any exhibitor not meeting obligations to the official veterinarian, farrier or feed supplier will be termed an undesirable exhibitor and entries from that exhibitor may not be accepted at subsequent shows.

√ Competitors are responsible for all **INSURANCE** for themselves, employees, owners, horses, etc. Competitors are personally responsible for damages to third parties caused by themselves, their employees, agents or horses. They are strongly advised to take out third-party insurance providing full coverage for participation in equestrian events at home and abroad and to keep the policy current.

√ All questions not covered in these rules and regulations shall be decided by the show management whose decision shall be final.

√ Every horse entered for competition will comply with the rules of the horse show management, but management will, in no case, be responsible for any loss or damage that may occur, and it shall be condition of entry that each exhibitor shall hold this horse show and the officials and employees of the show blameless for any loss or accident to his horse, employees, equipment, which may occur from sickness, fire or otherwise.

√ Show management reserves to itself the power to prohibit any person from attending or showing a horse in the ring and to remove any groom or horse from the show without being liable for compensation.

√ In accordance with the 1989 Federal Waste Tracking Act, which restricts the disposal of medical waste, bio-hazardous medical waste containers will be provided in the stable area. All exhibitors and their agents are responsible for the proper disposal of this waste.

√ No person will be allowed in the show ring during the time of judging except the exhibitor and those having official or requested duties to perform.

√ It is the tradition of the show that riders be correctly attired for the class in question, that attendants be neatly dressed and the horses properly presented. Management may in its discretion bar any person from entering the ring if not suitable presented to appear before an audience.

√ USEF General Rules define the protest procedure.

## ENTRIES - SCHEDULING - RIDING TIMES

√ Entries will be accepted on a first-come basis and must include all fees, membership and horse registration proofs, signatures and payment. *Numbers will not be released until this process is complete; entries without payment in full may be returned.* Entries that are received, complete with payment, signatures and proofs will have priority over faxed or emailed entries. Entries received by fax or email and accepted are considered to be legal contracts and are subject to all of the rules of the show, including post/late entry fees. If the show has extended the courtesy of accepting a late, faxed or emailed entry, the responsible party will be liable to pay all class, office, stable and other fees. Withdrawing at any time will not excuse the responsible party from paying all of the applicable fees.

Those who do not comply with this will be turned in to the recognizing authorities and no future entries will be accepted until the matter has been resolved.

√ Management will close the show when it is full and place excess entries on a wait list. Entries that have arrived after the show is declared full and prior to the printed entry closing date will not be subject to late fees. Any entry postmarked after the published entry closing date is considered a post entry and all post entry and late fees will apply.

√ Post entries allowed on a space available basis only, prior to the start of the class and after all forms have been completed, signatures obtained and fees paid. Office fee of \$10/class applied to all post entries. All change requests must be in writing and accompanied by a blank check or cash to cover the cost of the class(es) requested. If the change is granted, the usual class and post entry fees will be charged. **PLEASE NOTE: Once the show is scheduled, the fee paid for a scratched class will not be applied to a requested class unless the scratch time is filled.**

√ Copies of all membership cards and horse recording certificates are required. The requirements of USEF, USDF and CDS will be strictly followed and the show will collect fees for any individual or horse registration that is required and cannot be proven by presentation of the current card. To enter the Adult Amateur Division, the USEF Membership card MUST indicate Amateur and the individual must reach the age of 22 in the current year.

**If you do not submit proof of Adult Amateur status, you will be placed in the Open division. If you request to switch to Adult Amateur classes after entry closing, all post entry and/or change fees will be applied if this requires that you be rescheduled.**

√ Classes will be scheduled to accommodate the judges, riders and management. Rider scheduling preferences, if noted on the entry, will be indulged when possible. The 50 minutes between rides rule will be observed for riders of multiple horses. Requests for specific break parameters will be considered, but not guaranteed. Classes will not necessarily be scheduled in order of difficulty.

√ **Provisional ride times will be EMAILED AND POSTED ON WWW.FOXVILLAGE.COM.** It is the obligation of the entrant to contact the Show Secretary at davenport@saber.net if times have not been received. Scheduling conflicts must be emailed to the Show Secretary 48 hours prior to the start of the show. RIDERS SHOULD BE AWARE THAT IF THE NEED ARISES, THE SHOW MANAGEMENT CAN CHANGE RIDE TIMES AS PER USEF GR 830.

**Next day's revised schedule is posted every evening at the show office and on www.foxvillage.com.**

√ An Exhibitor's Letter with updates may be included with the riding times. Information in this document is considered to be as binding as any other rule or procedure stated in this Prize List.

### **SHOWGROUNDS- RV PARKING**

√ DOGS must be on leash at all times and owners must be able to provide proof of current rabies vaccination. Dog owners failing to comply with this rule may be subject to penalty under Show Rules and USEF Rule Book Chapters 6 and 7. The issuance of warning cards is a possibility. Additionally, there is a fine of \$100 per occurrence and owner may be refused entry into future shows. Any damage whatsoever that is attributed to the dog is the complete financial and any other responsibility of the owner of the dog.

√ The assigned bridle number must be worn or displayed at all times when the horse is on the grounds and/or out of the stall.

√ Use of the warm-up arenas is limited to those who are entered in the show and, at the discretion of Show Management, will be restricted to those warming up for class(es) in progress when there is congestion. **NO ONE ON FOOT WILL BE ALLOWED IN THE DRESSAGE WARM-UP AREAS AT ANY TIME.** There will be a designated lunge area and it may be subject to posted hours of availability.

√ **NON-COMPETING HORSES.** Each non-competing horse must have a signed release, wear an assigned number, must observe the rules governing the use of the warm-up areas and must pay any required fees, including stabling, haul-in and grounds fees. Any horse brought onto the grounds, including the parking lots, is subject to the rules of the show. This includes horses that never leave a horse trailer. Violations of this rule will result in double the fees due. Note: Priority in availability, location and type of stabling will be given to competing horses.

√ Any balance due at the end of the show will be billed and subject to a billing fee. Payment must be made immediately upon receipt of the bill. Non-payment will result in the individual being turned in to the sponsoring organizations, in addition to legal ramifications.

### **REFUNDS - CANCELLATIONS**

Any disputes concerning scores, divisions entered (AA, JR/YR, Open), and/or placings must be brought to the attention of the Show Office within one hour of the end of the show day. Scores and placings become final at that time.

√ **FREESTYLES:** It is the responsibility of the exhibitor to have the cued music at the announcer's stand at the start of the ride and a representative at the stand to tell the announcer when to start and stop the music. A sound check will be conducted at each show; please make arrangements directly with the announcer. Exhibitors are responsible for retrieving their own music after the class.

√ Except for USEF/USDF Championship classes and for FEI Pony Riders, FEI Junior, FEI Young Rider and FEI Para-Equestrian Freestyles, in order to enter a freestyle class at any level, a horse/rider combination must have received a minimum score of 63% in the highest test of the declared freestyle level or any test of a higher level at a Federation Licensed or **FEI recognized Dressage Competition or "open" Dressage class (i.e. open to all breeds) at a Federation Licensed Competition** held prior to the competition where the horse/rider combination is entered to ride a freestyle class. A photocopy of the test verifying eligibility must be submitted with the entry for a freestyle class.

### **STATE BORDER CROSSINGS:**

√ The most recent information available on documents necessary for transporting horses across state lines is available at the following numbers: Nevada Department of Agriculture - (775) 688-1180 and California Department of Agriculture - (916) 654-1447. Be sure to ask if there are any prohibitions against feed as well.

### **JUNIORS**

√ All minors/juniors must be supervised by their parent/guardian or authorized agent at all times while at or on the show grounds, whether riding or on foot. The parent/guardian or authorized agent shall assume all responsibility to protect juniors from any injury, damage, harm and/or loss and shall indemnify, defend and hold show management, its employees, independent contractors and volunteers, the facility at which the event is held, Golden State Dressage, Inc. and all affiliated organizations harmless therefrom.

√ USEF GR1301.5: Minors who do not have a valid driver's license which allows them to operate a motorized vehicle in the state in which they reside will not be permitted to operate a motorized vehicle of any kind, including, but not limited to, golf carts, motorcycles, scooters, or farm utility vehicles, on the competition grounds of licensed competitions. Minors who have a valid temporary license may operate the above described motorized vehicles as long as they are accompanied by an adult with a valid

driver's license. The parent(s), legal guardian(s), or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for sanctions against the parent(s), guardian(s) and/or trainer(s) who are responsible for the child committing the offense. Penalties may include exclusion of the child, parent(s), guardian(s), and/or trainer(s) from the competition grounds for the remainder of the competition and charges being filed against any of the above individuals in accordance with Chapter 6. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.

### **ALL COMPETITORS**

√ *From the time horses are officially admitted to the competition grounds by competition management, anyone mounted on a horse* a any time on the competition grounds, *including non-competing riders, riders on non-competing horses, and those competing in all classes and tests, including Para-Equestrian tests*, must wear protective headgear as defined by this rule and otherwise in compliance with GR801. Any rider violating this rule at any time must immediately be prohibited from further riding until such headgear is properly in place. Protective headgear is defined as a riding helmet which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. The harness must be secured and properly fitted. Unless jackets are waived, while in the competition ring, exhibitors wearing protective headgear must wear a short, dark jacket, dark tailcoat (only permitted for tests above Fourth Level), or Armed Services or police uniform (if eligible), dark hat covers (where applicable) and must otherwise conform to DR120 (see GR801).

√ It is the responsibility of the rider, or the parent or guardian or trainer of the junior exhibitor to see to it that the headgear worn complies with appropriate safety standards for protective headgear intended for equestrian use, and is properly fitted and in good condition, and the Federation, Show Committee, and Licensed Officials are not responsible for checking headgear worn for such compliance.

√ The Federation and Golden State Dressage, Inc. make no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.

√ Competition management shall place a minimum of one sharps container per each competition, whether or not stabling is provided. Additionally, at least one sharps container per fifty occupied stalls for the disposal of needles and other disposable sharp instruments in convenient locations in barns housing competition horses. It is competition management's responsibility to replace such containers when full and dispose of them properly. Competition management may fine any individuals including trainers, owners, exhibitors, or their agents up to \$100 for improper disposal of needles or other sharp disposable instruments. Competition management will place a notice of this requirement either in its prize list or on a specific handout given to trainers on check in at the competition. If local law has different requirements, local law will prevail. Competitions failing to comply with placing the required number of containers on the show grounds will be considered in violation of the rules and may be subject to penalty as determined by the CEO or Executive Director and/or the Hearing Committee.

### **GR845 EQUINE VACCINATION RULE**

1. At Federation licensed competitions horses, more than 7 months of age, entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers' or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian.

2. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations; name of the vaccines and date of vaccine administration.

3. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration.

4. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested.

5. Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee.

# USDF STATEMENT ON ANIMAL WELFARE

*The United States Dressage Federation, Inc. (USDF), a federation of over 100 independent organizations throughout the United States with a membership of nearly 30,000 members, supports the concept of ethical treatment of animals.*

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.

# CDS ANIMAL WELFARE STATEMENT

*The California Dressage Society, an organization of approximately 4,000 individual members, supports the concept of humane and ethical treatment of all animals.*

Dressage is a classical method of the training of horses in which the horse's natural responses and athletic abilities become a capable responsive partnership with the rider.

To this end the California Dressage Society is committed to ensuring that owners, trainers, exhibitors and their agents use responsible care in the training, handling, transportation and exhibition of horses.

The California Dressage Society supports scientific research on equine health and stress.

The California Dressage Society is committed to the continuous review, revision and development of competition rules and regulations to protect the welfare of horses.

The California Dressage Society firmly believes that horses are a vital part of its members' life experience and as such deserve our protection and compassion. Humans have an inseparable relationship with the natural world and animals. Furthermore, humanity is accountable to a set of laws and concepts that is uniquely a product of human society. Animals cannot be subject to those laws and concepts and therefore do not have the rights of humans.

Humans are responsible for providing adequate food, water and shelter for horses. CDS supports management and training practices which promote health, prevent disease and protect horses from unnecessary pain and injury.

CDS believes that Dressage Competition is the ultimate test of training to determine the development of harmony between horse and rider. All sanctioned CDS competitions and events will be conducted under the organization's rules regarding the well-being and welfare of horses.

**Memberships Defined**

**Participating Membership (PM):** A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$90), 5-years (\$360), or life (\$1,800). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21<sup>st</sup> birthday by December 1 of the current membership year (\$72). A PM allows the member to compete at USEF-licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan<sup>®</sup>/USDF Year-End Awards, USDF Breeders Championship Series Finals, the Great American Insurance Group/USDF Regional Dressage Championship program and the USDF Adult Amateur Equitation Regional program.

**Group Membership (GM):** A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

**Business Membership (BM):** A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$240) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

**Education Membership (EM):** A membership issued to an individual directly by USDF. This online education only membership expires 12 months after the date joined. This membership type does NOT allow an individual to compete at a USEF-licensed/USDF-recognized competition.

**Non-Member (NM) Identification Number:** For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$35 per competition that must be collected by the show secretary and submitted to USDF, along with the USDF Report of Fees document and the \$5 affidavit fee and Competition Affidavit Form if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF PM, GM, or BM there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post-competition paperwork, along with a report listing all USDF NMs. Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF website.

**Horse Identification (HID) Number:** A one-time tracking number for horses (\$35). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan<sup>®</sup>/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes or USDF Breeders Championship Series Finals. An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$80. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

**Lifetime Horse Registration (LHR):** A horse with an LHR (\$115) is eligible for Adequan<sup>®</sup>/USDF Year-End Awards, to compete at USDF Breeders Championship Series Finals, the Great American Insurance Group/USDF Regional qualifying and championship classes, and the USDF Adult Amateur Equitation Regional program, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.
